Disqualification Process

Revised after discussion at GC 10/04/21

Student GPA drops below 3.0 Office of the Registrar notifies Grad Studies office **Grad Studies office notifies** Graduate Coordinator, Advisor, and program chair Program has 10 days to notify Graduate Studies if they want to reinstate the student into the program

Program decides to **reinstate** student

Program decides to **not** reinstate student

Students may be reinstated to the University given a positive recommendation from their Graduate Program including an agreement by a graduate faculty member to serve as the student's advisor submitted to Graduate Studies.

If the program does not wish to reinstate the student a formal letter from the Graduate Dean will be sent to the student, graduate faculty coordinator, administrative support staff, chair and OOR.
